Political contributions are not income-tax deductible. Federal law requires political committees to report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. It is possible that your contribution may be used in connection with federal elections and is subject to federal contribution limits and prohibitions. Individuals and partnerships may contribute \$10,000 each calendar year to the Democratic Party's federal committee. The Gregg County Democratic Party also accepts non-federal political contributions and corporate or union treasury donations in accordance with Texas law. Please indicate on the contribution if the funds may not be used federally.
